SCUSD Community Advisory Committee General Meeting 1/19/2021

Meeting summary (high level notes only per CAC Board decision)

Public comment:

x Crystal Strait: Hope to have future financial conversations sooner than later due to rapidly charging state and federal budget

How to Read an IEP:

- x Presentation and live general question and answer session
- x For specific questions contaictohelp@dredf.org510644-2555 ext 5227 or 80048-4232.
- x Dr. Hedegard: Oliáy in response to some questionall children with IEP are eligible for a transition plan by the time they turn 16, to set graduation plan. We want to prepare for this earlier than age 16. Maximum graduation (certificate of completion) is age 22.
- x Dr. Hedegard: IEE is a parent right, but we want to look to expertise of IEP teams. SCUSD wants to know if there are issues with the district IEP teams.

Listening Session regarding School Reopening:

- x Special Education assessments should be available outsitheifservices like sports and dining are available outside
- x Far too many kids in general education classrooms with insufficient services, so not progressing at grade level

Χ

- o District response (Christine Baeta): There is nothing that precludes teachers or service providers from providing what students need, virtually. Even through Zoom we learn about what kids need. As for private services, we cannot just do ttate ady have contract with labor partners.
- x Request for numbers. Quantify the backlog
 - o Dr. Hedegard not comfoable sharing those numbers at this time until she is confident that they are accurate and contextualized.
