State legislation (AB2316) made significant changes to K-12 lease-leaseback statutes, Education Code §17400 et seq. AB2316 requires a competitive process in selecting the lease-leaseback contractor, and in some cases, authorizes pre-construction services by the same lease-leaseback contractor.

Per AB2316, staff solicited "Request for Proposals" by advertising and sending notices directly to contractors. Proposals received were evaluated and ranked based on scoring criteria used to determine "best value".
