Submitted by: Jorge A. Aguilar, Superintendent

Approved by: N/A

# BOARD OF EDUCATION MEETING AND WORKSHOP

Board of Education Members

Lavinia Grace Phillips (Trustee Area 7) Isa Sheikh, Student Member

## Structural Deficit (President Christina Pritchett)

President Pritchett presented the resolution in conjunction with Superintendent Aguilar and Chief Business Officer Rose Ramos. She went over and clarified the changes/edits from the previous first reading.

Public Comment: Daniel Darby Alison French-Tubo

#### **Board Comments:**

Superintendent Aguilar noted that a change was made to recognize that some changes are long-standing to the District.

Member Garcia made a motion to add language related to how the District will prioritize the use of new and on-going funds. Specifically, to reflect that new federal and state dollars will be used to off-set the structural deficit, to use as well the on-going savings from negotiated agreements and on-going savings from non-negotiated actions. She feels that this component, that gives clear direction to staff and community, is missing. Counsel Jerry Behrens clarified that she is asking for a motion to amend the resolution. Member Garcia then made a motion to amend the resolution with specific language. Member Phillips seconded, and the Board discussed the amendment. The amendment h 9ip

language in that section was changed. Member Rhodes said that what he was asking for specifically is to change language regarding the 2% mandated reserve and solvency. Member Rhodes motioned to amend the resolution language, and Member Phillips seconded. Member Garcia said she is trying to understand what the change is trying to accomplish. Superintendent Aguilar, Ms. Ramos, and Mr. Sweitzer responded. Member Rhodes voiced his concern that the language can cause continued constriction in the future even if the fiscal outlook improves.

Vice President Murawski acknowledged Member Rhodes concern, yet stated she does not feel that would be the case. She said that while we are in a structural deficit, however, that we should not make on-going commitments. Member Rhodes would like to try to maintain the services we currently have, and Vice President Murawski agreed.

A vote was taken on the motion to amend the resolution made by Member Rhodes and that Member Phillips seconded. The motion failed 5-2 with Members Rhodes and Phillips voting yes, and Student Member Sheikh also voting no along with the other five dissenting board members.

President Pritchett asked for a motion to approve the resolution with Member Garcia's amendment. Member Garcia moved to approve and Second Vice President Woo seconded. The motion passed unanimously.

### 10.3 Fiscal Recovery Plan (Rose Ramos)

Action (Roll Call Vote)

Chief Business Officer Rose Ramos presented. She went over a history of the District's fiscal challenges, items subject to negotiations, a final list of proposed items, proposed items with alternative funding source, proposed items pending state budget/further review by 7/1/21, proposed items potential cost savings, a background of average costs per student, proposed items requiring further analysis for elimination and/or potential restructure, projected deficit, and next steps. Nick Sweitzer, Chief Business Officer of the Sacramento County Office of Education, also provided comments.

would have zero access to IB because the tests would not be subsidized by the District. She also said this could be looked at for elementary sports, but does not know what would be the best way to proceed tonight, i.e., to approve the recommendation to cut, but come back with whether or not CARES funds can be used.

Student Member Sheikh said, because of the GATE item, he could not support this. However, he had the same thought as Member Garcia's during the presentation, which is within GATE and IB, how many families can afford that. He hears Vice President Murawski's concerns regarding stigma that may be introduced with a fee waiver process. He noted Ms. Lofing's comment that 100 percent of the students could not afford it otherwise. ouwisent alst()Tj EMC /P <</M4(e.sj
