*Presentation of Leadership Award from United Latinos to Superintendent José L. Banda (Arturo Aleman and Ronald Jimenez)*

*Mr. Aleman, President of United Latinos, introduced Chairman of their Student Development Committee Mr. Jimenez, Hortencia Morales, Lola Acosta, and Dr. Alicia Meza. He explained that the Leadership Award is being presented to Superintendent Banda for his commitment to the children of the District and to the community. He added that the award would not be possible without the leadership of the Board in choosing Superintendent Banda and through their continued support.*

*Mr. Aleman stated that the Superintendent has been an ambassador of good will and*

*Superintendent Banda was then presented with the framed award*

*Public Comment:*

*Delphine Brody understands that the District is in the final stages of a grant application process with the California Endowment to fund the District-wide position of Lesbian-Gay-Bisexual-Trans and Questioning Youth Advocate. She is concerned as the position is supported entirely by the private grant, is eliminated at the end of each school year, and to be renewed in the fall. She understands it has been delayed this year. She does not want there to be a gap in services to students. She asked the Board to fill the position as soon as it is funded and to also have other funding available for it.*

understanding is that the role of the SRO will be expanded. They will be engaged in the work related to restorative justice, and this is a concern. Also, they will be able to do crisis management, which is also a

*Board Member Comments:*

*Member Rodriguez thanked Mr. Richards for reaching out to her and answering her questions, one of which was did anything change in the petition during the conversation with staff. In the interest of*

*transparency, asked Mr. Kraemer to answer that question now. Mr. Kraemer said yes, there was*

*an amendment 1 submission by Growth Public Schools. It was submitted on August 19, 2016. In this amendment there is considerable information that the review team used in the final findings which resolved numerous issues. Member Rodriguez asked if this changed the content of the initial application or was it simply a clarification of the items. Mr. Kraemer said it did change the content of*

*the petition but it did not fundamentally change the petition, and it also contained*

Member Rodriguez thanked Member Woo for the information on Education Code regarding charters. She noted that she made a commitment as a Board member to not allow this process, that is, for corrective measures. There is a first reading with a thorough discussion and then a second time it comes forward. The process was intentionally cut down to two steps instead of three because too many petitioners were doing what is occurring now. Therefore she said she will stand by her commitment and staff's original findings. She is, however, a supporter of schools of innovation and will support their school and does believe in options.

Member Cochrane supports District staff and trusted staff the first time they came back with their support; she finds it curious that it was revisited. Although through a conversation with Mr. Richards she knows he is a man of education and wanting to help children she believes in public education. She

thanked Growth Public Schools for the petition, but she will be voting no.

President Pritchett thanked Mr. Kraemer for his work. As a parent, she believes in choice. She noted that if you read the original petition versus staff recommendation, there were many aspects of the petition versus the recommendation that did not blend for her. President Pritchett gave an example. She then seconded Member Woo's motion to approve the charter petition. A roll call vote was taken:

- Gustavo Arroyo – yes
- Ellen Cochrane – no
- Jay Hansen – yes
- Christina Pritchett – yes
- Diana Rodriguez – no
- Jessie Ryan – yes
- Darrel Woo – yes

The Item passed with a vote of five to two.
