The 2022-2023 State Budget Act included a transportation allowance for Home-to-School (HTS) transportation for eligible local educational agencies (LEAs).

Education Code Sections 39800.1 and 41850.1 states that eligible local educational agencies (LEA) transportation allowances will be “equal to 60%” of the HTS transportation expenditures reported by the school district for the prior year (2021-2022).

Note that this allowance will be reduced by the amount of the LEA’s Local Control Funding Formula (LCFF) transportation add-on.

The District’s estimated allowance is \$3.6M.
