### 10.0 BOARD WORKSHOP/STRATEGIC PLAN AND OTHER INITIATIVES

#### *10.1 State Budget Update for Fiscal Year 2020-21 (Leilani Aguinaldo and Rose F. Ramos)*

Information

*Chief Business Officer Rose Ramos began the presentation and gave the update with Leilani Aguinaldo from School Services of California. They gave three possible LCFF COLA scenarios and reported on the impact to the District's projected LCFF revenue and cash in 2020-21 and 2021-22.*

#### *Board Member Comments:*

*President Ryan noted the direness of the financial situation and asked about projections of COVID relief dollars. Ms. Ramos said that those dollars will not be enough to keep the District from receivership.*

*Member Garcia asked County Superintendent Gordon when the District will run out of cash and what happens when the District runs out of cash earlier than November of 2021. Ms. Ramos explained that the date the District would run out of cash is now estimated as May of 2021. Superintendent Aguilar reminded that a cash flow must be provided at the next Board meeting as part of third interim. Superintendent Gordon then explained receivership under current law. The District would have to go to the state to take a loan and would go into insolvency. The Superintendent would be removed. The Board's authority would be set aside and removed; the County Superintendent would appoint an administrator, with the concurrence of the State Superintendent and the President of the State Board of Education, who would then run the District. Superintendent Gordon said it is time to work together to solve this budget and structural deficit problem. Member Garcia then asked what the process will look like if we need to make revisions to our budget once we have started an academic year. Ms. Ramos replied and gave examples of what*

*was done in the past and explained the effects of a second relief package from the federal government.*

*Member Vang thanked the presenters and expressed concerns. She asked how Board members can be a voice in how the state determines spending. She noted that receiving COVID-19 relief dollars in 2021 is not about relieving the District deficit.*

*Vice President Pritchett thanked staff for the presentation and Superintendent Gordon for attending. She asked what fund was used to purchase student Chromebooks. Ms. Ramos said they were initially purchased with bond funds as an emergency measure, but the bond fund will be reimbursed with relief money.*

*Member Murawski said this information is sobering, and she agrees with Member Vang's comments that the Board needs to advocate with the state. She asked what the process will be if many other districts enter receivership. Ms. Aguinaldo acknowledged this, and said she has to imagine that the state understands this possibility and what the hazard is in the decisions that they are making. Member Murawski asked what the District is doing to save money immediately, knowing that this is going to be very challenging, and when will choices be presented to the Board of cuts that could be made to prevent insolvency. Ms. Ramos said that we pretty much have a bare bones budget, but there are areas we can look into, and this is being done now. Member Murawski said that she feels the Board and the public deserve a range of options covering every expenditure in the District.*

*Member Woo asked if we know whether or not the federal CARES money is to supplant or supplement the money that we are getting. Ms. Aguinaldo said that these are one time, completely separate revenues. Member Woo said that next year's Title I money might be less than this year.*

*President Ryan mentioned that there is no scenario where we are going to see the kind of relief to make our system whole. She noted that there is nowhere else to cut outside of negotiating around healthcare benefit changes. She asked if there is a way to figure out if there can be changes made to the conditions to fall into state receivership as a result of the fact that this economic crash will accelerate the position of so many districts across the state to the brink of receivership.*

*Vice President Pritchett motioned to extend the meeting to 11:30 p.m. The motion was seconded by Second Vice President Minnick and passed unanimously.*

10.2 *District 2020-2021 Healthcare Plan Renewal Rates Update  
(Debra DeSpain, Rose F. Ramos, and Raoul Bozio)*

*Chief Business Officer Rose Ramos introduced Debra DeSpain of Keenan and Associates. Certificated renewal rates and costs were presented as well as all others. COVID-19 impact on future renewals was also discussed.*

*Public Comment:*

*Nikki Milevsky*

*Board Member Comments:*

*Member Murawski thanked Ms. DeSpain. She said she is shocked by the Kaiser numbers and asked if she said they are based on experience rated and not related on COVID-19. Ms. DeSpain said that is correct, and she gave the time period. Member Murawski asked if the year after year increases are reasonable. Ms. DeSpain said there was an increase in pharmacy, in-patient utilization, longer days in hospital, costing claims while in hospital, and in out-patient. Member Murawski noted it was said in the presentation that they did not want to come down in cost because the District is paying 100% of the cost. She asked if this means their market share is not going to change based on their price. Ms. DeSpain said that typically where Kaiser is going to compare is rates to rates; they always want to be comparable to the non-Kaiser plan, so when they are going to be willing to make a negotiation off of a renewal (that they feel is a reasonable renewal to them), they want to know that they are not going to lose any membership and look to see if they can gain membership. She said that when there are contributions in place by the employee, then it becomes more of a fair playing field to make a decision to choose a low cost carrier, which is already Kaiser.*

*President Ryan thanked Ms. DeSpain for her time tonight.*

10.3 *Approve Resolution No. 3131: Renewal of the Charter for  
Yav Pem Suab Academy (Jesse Ramos)*

*Jesse Ramos, Director of Innovative Schools began by introducing the charter review team. Vincent Harris, Chief Continuous Improvement and Accountability Officer, presented on overview of the charter school, minimum standard for charter renewal, criteria to deny a charter renewal, staff analysis per Board members' request and next steps.*

*Public Comment:*

*None*

*Board Member Comments:*

*President Ryan spoke about her impressions of the positive aspects of the Yav Pem Suab Academy.*

*Second Vice President Minnick said that he is excited to move forward on this item, as he has heard many positive things about the Yav Pem Suab Academy over the years.*

*Member Woo agreed with all that Second Vice President Minnick said, and he made a motion to approve this Item. It was seconded by Vice President Pritchett.*

*Member Murawski asked about low Math scores for African American students. Lee Yang explained how they looked into this in detail and determined that these students were lacking the basic math facts. They have six teacher assistants this year working with these and other students that have been performing low in Math.*

*The motion on the floor was approved unanimously.*

*10.4 2019-20 Local Control and Accountability Plan Update*

*Board Member Comments:*

*President Ryan noted that the final layoff notices have been reduced from over 80 to only 12, yet it is always heart wrenching when a difficult decision like this has to be made. She asked for a roll call vote. The Item passed 6-1 with Member Vang voting no.*
