Conference (for discussion only)

Conference/First Reading (Action Antici cc -0.002 Tw 2.4 Auto 0.02 Piggy Back Code Act 6)

the Purchase of Pursuant to Public Contract Code Section 20118

Background/Rationale:

District staff recommends the Board adopt Resolution No. 3376 to authorize and approve the District's "Piggyback" utilizing Los Rios Community College District contract for the PURCHASE of Classroom Furniture with Campbell Keller in the amount of \$987,787.00 for Matsuyama Elementary School.

Under Public Contract Code section 20111, the District is required, absent an exception, to competitively bid the lease or purchase of equipment, materials, or supplies exceeding the bid threshold of \$114,500 for 2024. However, Public Contract Code section 20118, commonly referred to as the "piggybacking" statute, is an exception to the competitive bidding requirement, and allows the District to lease or purchase equipment, materials, or supplies by utilizing an existing contract, authorized by law, between a vendor and another public agency, pursuant to the same terms and equal prices of the existing contract.

Los Rios Community College solicited Bid 19017, awarded to Campbell Keller to provide furniture, design, installation and additional related support services. The contract is active through August 24, 2024. The Contract states that any public agency in the state of California may "Piggyback" to purchase furniture and related support services per the items and the conditions at the same terms as the awarded Contract.

is in the best interest of the District to utilize the Piggyback Contract to purchase the Products from Vendor .

NOW , THEREFORE , the Board of Education of the Sacramento City Unified School
