**3.0 SPECIAL PRESENTATION**

*3.1 Adopt Proposal for PIQE to Conduct Family Survey  
(Leticia Garcia)*

**Action**

*Student Member Sheikh began the presentation by covering the background of the formation of the committee and AB 86. The goal is to enhance community involvement with specific input from each board trustee area and to report back to the Board and Superintendent by May 20<sup>th</sup> or sooner. The work of the committee should be in coordination with LCAP. Member Garcia noted that the PIQE team was present to answer*

*She explained how they tried to be as inclusive as possible. She said it is important that the input be qualitative in nature and that it is focused on parents. Member Rhodes then*

*able to extrapolate this to our Hmong, Chinese, and other Asian speaking communities because we are making a concerted effort not to reach out to them*

*President Pritchett said she also has these concerns, and she asked Member Garcia to let the Board know what the plan is to continue to reach out to also the Middle Eastern and Russian communities. Member Garcia said that because of the abbreviated time frame and the percentage of English and Spanish speaking participants, they still felt that they would be able to receive valuable input. They are looking forward to receiving the*

*analysis and then going back to the ad hoc committee to see the next steps that need to be made toward strengthening community engagement in the District. They recognize that District staff is at capacity, and therefore this is bringing in an additional resource. President Pritchett asked what the LCAP/PAC is doing with surveys that are relatable to this. Superintendent Aguilar said the LCAP/PAC surveys are relatable to this, and he provided details on how this addition of 500 families would be complementary. President Pritchett asked to make sure that they would not have to do a request for proposal since the amount is \$20,000. Mr. Bozio said that is correct.*
