

Sacramento City Unified School District
2024 Luella M. Goff Memorial Scholarship
(A \$900 Scholarship Per Year for Four Years)
Application Period: January 16, 2024 April 12, 2024

GENERAL INFORMATION:

The Luella M. Goff Memorial Scholarship was established in 1965 as a memorial to the wife of Frances Willie Goff, a former teacher at Sacramento High School and chair of the school's business department. Mr. Goff left his entire estate in trust to provide scholarships for students from the district's high schools. The trust helps to support a student with a four-year, \$900.00 per year scholarship attending a university or college in the state of California. The student must be in good standing; a student on probation is considered ineligible for renewal of this scholarship.

WHO IS ELIGIBLE:

Scholarships are available for SCUSD students who attend a district or dependent charter school. The Luella M. Goff Memorial Scholarship is open to a senior student in any of Sacramento City Unified School District's high schools. Applicants must have spent both their junior and senior years in a district high school and be eligible for admission to a four-year California college or university; or student must be eligible for entrance to a California junior college with qualifications to transfer to a four-year California college or university to obtain his/her Bachelor's degree. If, upon graduation with a Bachelor's degree, the student is accepted into a graduate (Masters) program, he/she is eligible for a fifth year at \$900.00, upon proof of registration into that graduate program.
