Good afternoon,

I submitted this public comment for the 10/7 board meeting, and I'd like to amend it and have it added for the 10/21 board meeting if it's not too late.

Item 7.0 Public Comment

Good evening members of the Board of Education,

My name is Joseph Pickar and I work in the Student Attendance and Engagement office. I come before you this evening advocating for the health and welfare of our office technical staff at school sites. To put it simply, our staff are drowning

[Redacted content]

they also play a role in the support of our families. As most school sites don't have student support centers, attendance staff are the ones reaching out to families to keep them engaged and attending each day as we try to curb the learning
