## Adoption of Conditions of Readiness for School Reopening

# Return Together Vision Statement

Sac City Unified will disrupt the current status quo of systemic inequity to meet the academic, social and emotional needs of all our students, especially our most vulnerable students. Such disruption must result in higher learning standards and accountability. **Our Return Together Plan will abide by all county public health orders to safely serve as many students as possible through in-person instruction.** Because we recognize the evolving nature of this pandemic, all of our learning models will meet the needs of all students and mitigate learning loss, assuring that all students are given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options.
