Recommendation: Receive recommendations from the LCAP Parent Advisory Committee (PAC)

Background/Rationale: Annually, districts must develop a Local Control and Accountability Plan (LCAP). The 2021-22 LCAP adopted in June 2021 is the first year of the 2021-22 to 2023-24 LCAP cycle. The district is currently engaged in the development process for the 2022-23 LCAP.

The LCAP Parent Advisory Committee (PAC) is a board and superintendent appointed group that provides input to inform LCAP development. The LCAP PAC meets monthly to gain a deeper understanding of student needs and how those needs can be addressed to improve outcomes for all students and especially those student groups with the highest needs. As part of this work, the PAC provides input and recommendations to the Superintendent and Board of Education to support the LCAP development process.
