Continuous Improvement and Accountability

Student Achievement Presentation Smarter Balanced Assessment Consortium (SBAC) October5, 2017

I. Overviewof the CAASPP Data Review

In 2010, the California State Board of Education adopted the Common Core State Standards (CCSS) mathematics and English Language Arts (ELA), a more rigorous set of academic content standards with a focus on college and career readinles 2015, the CCSS igned Smarter Balanced (SBAC) assessments in English Language Arts and Mathematics were first administered as part of the California Assessment of Student Performance and Progress (CAASPP) to students in grades, and 11. With the completion of the third year of testing in 2017, this report includes a two are comparison and the most recent results.

The SBAC assessments are compatiziptive tests with items represented in multiple forts, including selected and openended response, which require students to explain and justify their thinking. The SBAC results inform parents aff, and the Board of Education students' progressoward readiness for success in college, career, and life beyond gradual the report includes results from the 20167 administration administration and performance and ACT and SAT performance.

II. Driving Governance

The district's Equity, Access, and Social Justice Guiding Principle, calls for all students to be given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options. Vital tectualizing this principle is supporting dchallening all students to actively engage in rigorous and relevant curriculum that prepares them for college, career, and a fulfilling life, regardless of zip code, race/ethnicity, (dis)ability, language proficiency, and life circumstanc@ur goal is for all schools to hold students to the highest academic expectations, which is also evident in the district al Control Accountability Plan (LCAP) gal one's focus of increasing the percent of students who are on track to graduate college and careereadyand the Local Educational Agency (LEA) plan which is designed to enable schools to substantially assist students to meet academic standards

Continuous Improvement and Accountability

Student Achievement Presentation Smarter Balanced Assessment Consortium (SBAC) October5, 2017

For the 201718 school yearsite administrators are growing their capacity to engaged in disciplined inquiry and respectful data analysis using the practices of Improvement Science. The sessions have been led by the Superintendent, the Instructional Assistant Superintendents and senior leadership staff and will focus on areas such as English Learner redesignation, Reading by Third Grade, Middle and High School Readiness, Graduation, and UCCCount learning addition, 60 school site administrators taking part in ongoing professional learning regarding how to effectively organize and work with teachers during weddly borative Time.

Teacher Capacity Building/Professional Learning

The Academic Office contingeo providea variety of professional learning portunities to support teachers with standards implementation. This includes professional learning sessions during the summer and school year at the work of the district's training specialists SCUSD currently employs a cadre of math (9ELA/ELD (9) and Science (2) trajing ispecialists. The training specialists provide coaching and feedback, conduct demonstration lessons, and work with teachers on lesso funit and assest fand4ng specialists.

Math

- X Sacramento City's met/exceeded percentage remains below Sacramento County and the State of California in ELA and Math
- X Sacramento City's met/exceeded percentage remains in the boltal for comparable school districts in the region and across the state in both ELA and Math
- X Sacramento City's met/exceed petrcentage in Math increased from 2015-16 to 2016-17 in all grade levels, except @radewhich remained unchanged.
- x Significant subgroup gaps remain in both ELA and Math
 - O In ELA, 22% of African American students scored met/exceeded versus 61% of white students
 - O In Math, 14% of African American students scored met/exceeded versus 52% of white students
 - O English Learner, Foster Youth, Special Education and Homeless students scored no higher than 20% of studenteen met/exceeded in either ELA or Math

VII. Lessons Learned/Next Steps

The district has learned many lessons since initial implementation of the **CES** sons learned are outlined below:

- Ongoing datacollection and analysisom common formative assessments are critical for providing responsive interventions to students and continuously improving during the instructional year.
- There are no shortcuts to deep learning and changed instructional practice.
- The shifts in instruction required by the CCESA and mathematical and require time, continuous learning, and collaboration.
- An infrastructure of support is vital for both students and adults.
- " Implementing the CCSS ELA and mista huge undertaking that requires commitment from all layers of the system.

Next steps in the district's' standards imp3 -1.22 Tict'sulequi3()1(s)I(c)18mmi0.003 Tw 0.23 0 8trileqs
