Public Comment:

Martha Geraty spoke on dental health and gave printed materials to the Board.

Rachel Cavalli also spoke on dental health and services that can be provided to schools. Member Rodriguez said she would like to meet with her and Ms. Geraty to learn more. Vice President Hansen said he met with them recently.

Annette Deglow, a former District employee, asked for help with identifying leave dates back to December of 1962 and with having her sick leave transferred to her current employer.

Darlene Anderson showed data on the overhead projector regarding African-American suspension and expulsion rates. She is concerned about the data and feels she has been communicating her concerns to the District for a long time, but has been receiving resistance. She suggests the Board have a workshop on what is happening to African-American children in the District regarding suspensions and expulsions as well as low performance.

Carolyn Nutter, of Independent Training and Apprenticeship Program (ITAP), thanked the Board for resolving a prior situation and asked for help with a student that was denied the Pell Grant because he is a veteran.

Stephen Mitchell, an ITAP student, requested help with a Pell Grant denial.

Travis Rodowick, an ITAP student and peer of Mr. Mitchell, requested help regarding the Pell Grant denial.

Angie Sutherland provided printed material to the Board regarding guidance from the U. S. Department of Education on behavioral support for students. She requested that the Board consider providing more behavior support in the District by making it a priority and providing training. She also provided an updated flyer about her daughter's contrasting experience at two different schools.

Member Arroyo said he welcomes Ms. Sutherland's comments and suggestions.

Second Vice President Ryan thanked Ms. Sutherland for constantly

Public Comment:

Darlene Anderson commented on Items 8.1e and 8.1f. She has concerns with Item 8.1e because the Board has not yet adopted curriculum. She said that for children in Special Education it looks like Common Core, but it does not talk about how to get there. She is concerned that books are not yet being purchased at all school sites. Regarding Item 8.1f, she asked if these courses of study are for all students. She feels the District is working toward separate and unequal. She is concerned with children not having access to grade level curriculum. She is also concerned that there is no group for parent voice now that the District Advisory Committee has disbanded.

President Pritchett asked for a motion to adopt the Consent Agenda. A motion was made to approve by Member Woo and seconded by Vice President Hansen. The Board voted unanimously to adopt the agenda.
