Dear Mr. Fisher:

*Lisa Murawski  
Trustee Area 1*

I am in receipt of your letter today regarding the status of our negotiations on the effects of reopening our schools on September 3, 2020 in a distance learning model. I agree with you that we will begin this school year unlike any other with the COVID-19 pandemic continuing to impact our students, employees and community. However, I do not agree that the District has ignored any proposal by SCTA to fast-track negotiations. Rather, the District's negotiations team remains committed to meeting with SCTA any day next week or weekend to continue our negotiations with SCTA on the effects of opening our schools in a distance learning model.

that we can continue to meet to negotiate the effects of the distance learning model next week.

We look forward to our continued work on distance learning negotiations as we prepare to return together when school starts for our students on September 3, 2020.

Sincerely,
