

Elementary Scheduling Process within Infinite Campus

KEY POINTS:

1. Make sure correct courses are available (May need to contact support at Support@scusd.edu for additional courses)
 - See Note about correct content courses based on credentials listed below
2. Assign primary teacher to course sections
 - **Remember:** The teacher who will be grading the students' needs to be assigned to the section as the primary teacher
3. Assign students to homeroom courses for attendance
 - Regular Ed Homeroom (1000, 2000 etc course numbers for attendance)
 - Immersion Homeroom (7000 series course numbers for attendance). Enroll students in the unique HR, but schedule into the regular, grade level course content classes.
 - Self-contained Special education teachers will have their own Homeroom course for attendance (9000 Homeroom), not a separate section for each grade level represented in specific content area courses/standards
 - Preschool students will be scheduled into their own Homeroom (000PS) course content courses
4. Students need to be assigned/scheduled into specific content courses for curriculum and gradebook.

Content Courses:

State reporting requirement to correctly report credentials

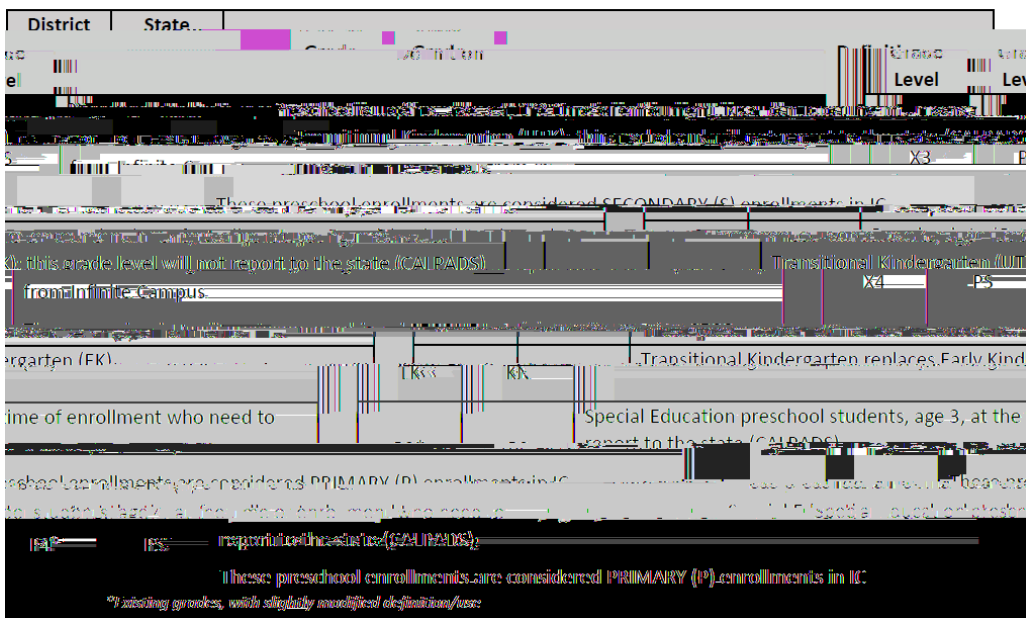

MAY NEED new course codes for specials like PE and VAPA

2
