Resolution Key Points

The District has an interest in making transitional kindergarten positions available to applicants with comparable preschool teaching experience pursuant to Education Code section 48000(g)(4)(B)

The District recognizes that serving as the credentialed teacher of record for one complete school year in a transitional kindergarten classroom is equivalent to the 24 units in early childhood education and/or childhood development under Education Code Section 48000(g)(4)(B).

One complete school year means that the employee served 75% of the number of the regular days schools are in session.
